

HOW TO REACH US

Cambridge Business Park is easily accessible from the A14.

Exit at the A10(Ely) / A14 junction and then follow the A1309 towards Cambridge (marked "City" on the roundabout). Keep in the left hand lane and continue straight ahead through the first set of lights, towards Cambridge. After the second set of traffic lights bear left into a filter lane that turns into the Business Park. Continue over two small speed bumps, one large one and then two more small ones, and Newnham House is on the right. Go past the building to use Mewburn Ellis parking spaces on the far side, walking back to reception. The office is situated approximately four miles from the city centre. From there, take the Milton Road northbound towards the A10/A14 junction. About 1/2 mile before the junction there is a right hand filter lane signed for the Business Park. Turn into the Park and continue over the small speed bumps as above.
